**ATTACHED OFFICE COMMUNICATION**

The reply filed on 2/5/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant election of species is confusing. Applicant states that the elected species is the compound D-12 which is exemplified on page 23. However, applicant further describes the species as have "W" defined a  $\text{SO}_2\text{R}_{13}$  wherein  $\text{R}_{13}$  is a substituted alkyl.

In one instant applicant has elected the species:

which is the compound labeled D-12 on page 23.

In the other instance applicant has elected the genus:

Clarification of this election is required. Please note that the second formula is **not** a species.

Art Unit: 1621

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
